

## ABOUT US

Teemans Limited is one of only a handful of worldwide companies working in the industry and is on the approved vendors' list for the following major gas companies:

**National Grid Gas plc** and **Scotia Gas Networks plc** to supply High Pressure Split Tees to their T/SP/F/4, 2005, 2007 and Technical Specs.

**Gaz de France**, France, to supply distribution fittings (Leaflock & Threadlock).

**National Iranian Gas Company**, Iran, to supply High Pressure Seglock™ & Hot Tap Split Tees.

**Igdas**, Turkey, to supply Distribution Fittings and High Pressure Seglock™ & Hot Tap Split Tees.

**Qatar Petroleum**, Qatar, to supply Hot Tap Split Tees and associated fittings.

### Teemans Ltd Unique Selling Points (USPs) are:

Short lead times due to the size of our operation and a decisive management team. Many of our competitors fail to meet our fast track lead times.

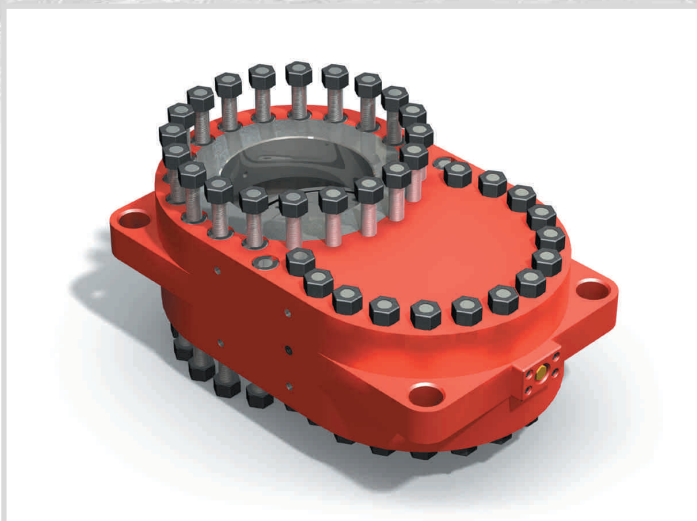

All design work and manufacturing is carried out in-house, allowing us to dictate the pace of design and manufacture to suit our customers' requirements.

We use only high quality materials, (materials sourced from the UK and Europe) which are all certified and fully tested with a full documentation pack.

### Teemans Limited has also supplied fittings to the following companies:

- T D Williamson
- Furmanite
- Unique Wellube Group FZC (UAE)
- IPSCO GmbH
- BP
- NIS Nordiska AB
- Systems & Products G.O.W.Psprl
